

The EASY DRUM SOLOS

By Denis Stilke

Enhance your musical drumming and have fun right away!

The EASY DRUM SOLOS -series

The Easy Drum Solos are a simple but useful tool to improve and expand your musical vocabulary.

They start out real easy and get spiced up more and more to give you some nice spots to work on.

f.i. your timing, sound, transition skills, and groove flexibility

The great thing about these solos is that there is a musical form that carries you always through the same way:

-4 bars of Intro-

-an A-section with 8 bars fill in inclusive

-again A – section which moves to the Ride-cymbal

-B-section ,for contrast

-A-section again (Repeat sign)

-4 bars Outro (same as Intro) D.C. : means from the top and FINE is the ending

So then we have a total of 40 bars to play, almost a little Song form.

I have worked out some solos in different styles (Rock, Funk , World, Drum& Bass, Blues etc.) and with progressing technical issues. I have been using the solos in my own teaching quite a while and my students always loved to play them. I also use them in recitals, sometimes in accompany with percussion.

For the Beginner they are good to play through for keeping the tempo and flow consistent, also the sound and feel. Usually the groove suffers in insecure spots like fill ins and B-sections. So watch out for that. Play it for your teacher or record yourself to jump the hurdles.

For the more experienced player they could go for it as a sight reading exercise. Add some Hi-hat Variations if you play on the Ride- Cymbal. Play with some inner dynamic and make a nice musical arc from beginning until the end.

Anyway there are a lot of fun to play and a good measurement of your drumming and musical abilities.

So give them a try and make it easy!

Denis Stilke has been teaching drums and percussion as well as marimba for about 20 years , has played on ca. 30 recordings and written books for snare drum and others. More info www.denisstilke-ondrums.de

Easy Drum Solo XVII to ghost

Denis Stilke

The musical score is written for a drum set and consists of eight staves. The first staff is labeled "Drum Set" and shows a complex rhythmic pattern with accents. The following seven staves are labeled "D. S." (Drum Set) and feature different drum parts: "H.H." (Hi-Hat) starting at measure 5, "Ride" starting at measure 13, and "D.C. al Fine" (Direct Control) starting at measure 21. The score concludes with a "Fine" marking at the end of the eighth staff. The music is in common time (C) and includes various rhythmic values such as eighth and sixteenth notes, rests, and accents.
